Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

## Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

**Simplified Jump Height Card Process:** When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

## Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or approved Foundation Stock Service (FSS) breeds are eligible to participate. Entries are open to All-American/Mixed Breed dogs listed in the AKC Canine Partners program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Additional information about the AKC Canine Partners program is located at: [www.akccaninepartners.org](http://www.akccaninepartners.org).

## Obstacles and Ring Conditions

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials and are supplied by MAD Agility. Electronic timers will be used in both rings.

All classes will take place indoors on field turf surface (Sprinturf). Ring size will be 80 x 110.

## Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Please make every effort to walk with an \*earlier\* group to insure the smooth running of the trial and timely results for each height division.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## Ribbons, Awards and Prizes

Ribbons will be awarded in each jump height in each class as follows:  
First Place.....Blue  
Second Place.....Red  
Third Place.....Yellow  
Fourth Place.....White  
Qualifying Score.....Dark Green Ribbon

A rosette will be offered to all dog/handler teams finishing a title.

Due to the cost of processing, over-payments of \$5 or less will be donated to the AKC Canine Health Foundation.

## Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Waterproof cloth or tarps must be placed underneath crates. Crating space is limited. Unentered dogs may be asked to leave. High occupancy ex-pens (3 dogs or more) ONLY.

**The terms of the facility contract make it necessary for us to completely clear BOTH RINGS after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed. We will not have to clear either ring after the Saturday trial.**

**IMPORTANT NOTICE:** Crate aggressive dogs or dogs who create a disturbance must be covered and monitored by owners and may not be positioned in heavy traffic areas. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Dogs MAY NOT be left overnight. Capital Dog Training Club will not be responsible for any lost or damaged items left at the trial site.

All dogs must be on a leash at all times except when in the ring or when in the designated agility warm-up area.

Food will be available on site all three days. No alcoholic beverages are allowed on site.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Catalogs may be pre-ordered for \$10.00 with your entry. A very limited number of catalogs will be available for sale on the trial date.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Event Committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. CDTC and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the trial grounds.

**CDTC does not agree to arbitrate claims as set forth on the official AKC entry form for this event.**

## Refund Policy

Bitches in season are not permitted to compete in agility trials. The Club will refund all but eight (\$8.00) dollars per run of the entry fee for bitches unable to compete for that reason upon presentation of a note from a veterinarian stating that the bitch is in season.

All notes must be signed, dated, on official business letterhead and presented to the Trial Secretary prior to the start of judging on the first day of the trial. E-mails, phone calls and non-letterhead notes will not be considered.

## Judge Biographies

### Clyde Closson

I can't begin to tell you how happy I am to have been invited to judge this year's Capital Dog Training Club agility trial. I am so looking forward to watching you and your special partners conquer the course challenges thrown at you over the course of the weekend!

I have been competing in agility with Labrador and Golden Retrievers since the late 1990's. My current agility partners are Brash, a 6 year old male Golden Retriever, and Bliss, a 2 year old female Golden Retriever. In addition to those two, my wife, Mardi, and I share our home with six other Goldens ranging in age from 6 months to 14 years old.

I am a member of, and training director for, Keystone Agility Club. I teach Master level course skills classes at Y2K9's Dog Sports Club and Keystone Agility Club.

Before dogs took control of my life, I had a 28 year career as a labor relations manager. I have been an AKC agility judge since 2008. I am enjoying every minute of traveling the country watching agility competitors play with their dogs. So here's hoping everyone runs clean and ... more importantly ... regardless of the outcome on course, cherishes every single moment they spend with their canine companion. Remember, you're creating memories that will last a lifetime.

And one final thought ... support your fellow competitors by practicing the principles of good sportsmanship at all times. Good luck to all. Let the games begin!

**Donna Gomer** first competed in agility in 1987. She has been a judge for JRTCA, NCDA, UKC and AKC agility. She has competed with numerous Jack Russell Terriers, a Doberman, Aussie, Labrador Retriever, Boston Terrier and several Cavalier King Charles Spaniels. Currently, five Cavaliers and two Labrador Retrievers reside in the Gomer household, along with Donna's husband Curt. At present, Donna is competing with MACH Langford The Highland One (Cullen) and MACH Firthview Heart of the Sea (Sailor). Langford Summer Evening (Victoria) has recently joined the family and will be competing in spring of 2015. All of the Cavaliers are registered Therapy Dogs, and visit with people in various settings. Our young Labrador (Mildred) is enjoying her second season with my husband who is an avid waterfowler. We adopted her mother just over a year ago when she retired from the breeding program. Morgan is now 9, and is enjoying learning how to be a family dog.

Donna enjoys handling challenges when competing and designing courses, "providing they are safe and fair for the dog" She believes that any course she designs must have more than one way to handle it and still be successful. " I hate to see a course that requires a specific skill in a specific location, and if a team does not have that specific skill they are toast". "My best courses are the ones that have handlers leading out, running with their dogs, doing front crosses, blind crosses, ear crosses, backie uppie blinds, layering obstacles.... the whole toolbag; just working the course in a way that makes sense to them as a team with the skills they have practiced."

Donna and her husband have a holiday home in Scotland. Right now we make trips 3 to 4 times a year, for several weeks at a time. Long term plans include spending 6 months of the year in the UK and 6 months in the US.

## **“Capital Challenge” 2-dog Pair Competition**

This non-regular class will be open to dogs eligible to compete in regular AKC agility classes.

The event will take place immediately following the regular classes on Saturday. Regulation AKC agility equipment will be used, no modifications.

The course will be a "nested" course (Path 1 "Big" / Path 2 "Small"), run by a "pair" of 2 handlers and 2 dogs of the same jump height (regular or preferred - does not matter). Both Paths must be run, each by a different dog. Path 1 will be longer and more difficult; Path 2 will be simpler and shorter, giving all levels of competitors the chance to participate.

There will be 2 tables, which will be the start/end of each "path". Path 1 will be run first. When Dog 1 finishes the course and reaches the table, Dog 2 may immediately begin Path 2. The timer stops when Dog 2 reaches the table at the end of their course. Lowest cumulative time wins.

Scoring:

- No refusals
- Wrong course: + 5 seconds
- Dropped Bar: + 5 seconds
- Dog #2 leaves the start table early: + 10 seconds

Pairs may not be duplicated, but each dog can be on a maximum of 3 different pairs.

Prizes will be awarded for the winning pair in each jump height.

**Come and join us in the fun!! Sign-up is on the day of the event.**

Sign up as a pair \*or\* have the club pair you with someone else that has signed up in the same jump height.

**Entry fee is \$5 per person/per run.**

**Just For Fun!**

**Friday:**

*Wear your favorite dog shirt! (breed, club, etc.)*

**Saturday:**

*Wear your favorite tie-dye shirt/clothing!*

*Non-regular class: “Capital Challenge” 2-dog Pair Competition*

**Sunday:**

We will honor all dogs that do animal-assisted therapy or service dog work.  
***Wear your organizational shirt/clothing, and bring your dog's working vest or bandana.***

*(We will try to arrange a group photo.)*

**More information about these activities will be provided in the judging schedule.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above.
