Measuring and Height Card Information

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

| Height Divisions | | |
|--|--|--|
| Regular | Preferred | Height at Withers |
| Handlers may opt to run their dog in a higher height division. | Handlers must run their dog in their proper eligible height. | Owners are responsible for entering their dog in the proper height division. |
| 8" | 4" | For dogs 11 inches and under at the withers |
| 12" | 8" | For dogs 14 inches and under at the withers |
| 16" | 12" | For dogs 18 inches and under at the withers |
| 20" | 16" | For dogs 22 inches and under at the withers |
| 24" | 20" | For dogs over 22 inches at the withers |
| 26" | n/a | Dogs may be entered at this height at their owner's discretion |

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/ Indefinite Listing Privileges (PAL/ILP), or approved Foundation Stock Service (FSS) breeds are eligible to participate. Entries are open to All-American/Mixed Breed dogs listed in the AKC Canine Partners program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Additional information about the AKC Canine Partners program is located at: www.akccaninepartners.org.

All classes will take place indoors on field turf surface (Sprinturf). Ring size will be 80 x 110.

Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Please make every effort to walk with an *earlier* group to insure the smooth running of the trial and timely results for each height division.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Waterproof cloth or tarps must be placed underneath crates. Crating space is limited. Unentered dogs may be asked to leave. High occupancy ex-pens (3 dogs or more) ONLY.

The terms of the facility contract make it necessary for us to completely clear BOTH RINGS after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed. We will not have to clear either ring after the Saturday trial.

IMPORTANT NOTICE: Crate aggressive dogs or dogs who create a disturbance must be covered and monitored by owners and may not be positioned in heavy traffic areas. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Dogs MAY NOT be left overnight. Capital Dog Training Club will not be responsible for any lost or damaged items left at the trial site.

All dogs must be on a leash at all times except when in the ring or when in the designated agility warm-up area.

Food will be available on site all three days. No alcoholic beverages are allowed on site.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Catalogs may be pre-ordered for \$10.00 with your entry. A very limited number of catalogs will be available for sale on the trial date.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Event Committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. CDTC and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the trial grounds.

CDTC does not agree to arbitrate claims as set forth on the official AKC entry form for this event.

Refund Policy

Bitches in season are not permitted to compete in agility trials. The Club will refund all but eight (\$8.00) dollars per run of the entry fee for bitches unable to compete for that reason upon presentation of a note from a veterinarian stating that the bitch is in season.

All notes must be signed, dated, on official business letterhead and presented to the Trial Secretary prior to the start of judging on the first day of the trial. E-mails, phone calls and non-letterhead notes will not be considered.

Judge Biographies

Diane Fyfe

I have always had an innate gift for people and their dogs. Professionally I was one of the first Certified Veterinary Technicians in the state of Florida and managed animal hospitals. At the same time I incorporated R.P.O. Inc. (Responsible Pet Ownership) specializing in behavior counseling also offering group agility, Obedience, and hunt test training. At these times I was showing in AKC trials in obedience and confirmation with many different breeds. Canine Helpmates was incorporated a short time later as a non profit corporation providing hearing and service dogs.

I have been training and competing in agility since 1996. When Rick and I retired we passed our judges seminar in 2008. I have enjoyed traveling all over our beautiful country judging in different states and watching dogs run with their people. Watching animals run was a passion when I was a little girl and now I am doing it professionally! I have been honored to judge the NAC where I watched some of the best teams run.

Rick and I live with 3 Golden Retrievers and enjoy competing in agility, obedience and hunt tests. It is a gift and a blessing to share life with these amazing creatures.

Rick Fyfe

I was born and raised in the Adirondack Mountains in northern New York where I started in dog obedience in 1966. After high school I moved to Texas and enjoy a long career with the telephone company, moving several times and eventually to Florida. In 2009 I moved to Tennessee.

Over the years I have had several great competition dogs in agility, obedience and in the field, including a Dalmatian, Sheltie, Schnauzer, Labs, and of course, Golden Retrievers. About 1996 I became involved in agility and became an agility judge in 2008. I am also an ASCA obedience judge. I have also enjoyed retriever hunt tests with my labs and golden retrievers.

My current dog is Ambertrail's Holy Moly MH,UDX,RE,MX,MXS,MXJ,MJS,MXF,VER,WCX, who is working towards his MACH and his OTCH.

Stay Tuned!**

"Capital Challenge" 2-Dog Pair Competition

This non-regular class will be open to dogs eligible to compete in regular AKC agility classes.

The event will take place immediately following the regular classes on Saturday. Regulation AKC agility equipment will be used, no modifications.

The course will be a "nested" course (Path 1 "Big" / Path 2 "Small"), run by a "pair" of 2 handlers and 2 dogs of the same jump height (regular or preferred - does not matter). Both Paths must be run, each by a different dog. Path 1 will be longer and more difficult; Path 2 will be simpler and shorter, giving all levels of competitors the chance to participate.

There will be 2 tables, which will be the start/end of each "path". Path 1 will be run first. When Dog 1 finishes the course and reaches the table, Dog 2 may immediately begin Path 2. The timer stops when Dog 2 reaches the table at the end of their course. Lowest cumulative time wins.

Scoring:

No refusals

Wrong course: + 5 seconds

Dropped Bar: + 5 seconds

Dog #2 leaves the start table early: + 10 seconds

Pairs may not be duplicated, but each dog can be on a maximum of 3 different pairs.

Ribbons will be awarded for the winning pair in each jump height.

Come and join us in the fun!! Sign-up is on the day of the event.

Sign up as a pair *or* have the club pair you with someone else that has signed up in the same jump height.

Entry fee is \$5 per person/per run.

Please note the unusual running order!

***We hope that this is a pleasant change from
always being first, always being last,
or always being in the middle.***
