Measuring and Height Card Information

Height Divisions

Regular	Preferred	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
26"	n/a	Dogs may be entered at this height at their owner's discretion

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Simplified Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Dogs Eligible to Enter

This trial is open to Dachshunds fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration or Purebred Alternative Listing/ Indefinite Listing Privileges (PAL/ILP). Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into agility classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

Obstacles and Ring Conditions

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials and are supplied by Bella Vista Training Center. All classes will take place indoors on field Sports Turf surface. Ring size will be 78' x 105'. Electronic timers will be used.

Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

After Closing Waiting List

The DCA is not offering an after closing waiting list for this trial. Any exhibitor that wishes to withdraw must do so before the published closing date and time.

Move-Up Information

Per Chapter 1, Section 20, American Kennel Club Regulation for Agility Trials: Dogs shall be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made in writing to the Trial Secretary not later than 6:00 p.m. on the Monday preceding the set of trials.

Move-ups may be e-mailed, mailed or faxed. Verbal move ups will not be accepted. Please include basic (legible) information: Owner's name, dog's registered name and call name, registration number, class change information. Confirmation of move-up will be sent via e-mail. If you have not received a confirmation of move-up by the Monday move-up deadline, please contact the Trial Secretary immediately.
