Judging Program

Please check your entry information for accuracy! (Especially your dog's AKC number and the classes entered!)

If there are any errors, please contact the trial secretary:

Rhonda Toren ♦ Phone: 410-997-3698 ♦ e-mail: agilitysec@clantyre.net

Check-in:

Your check-in will be at the gate sheets and are for check-in *only*. Any changes in running order must be done by the Gate Steward for the class.

Check-in for measuring: Begins on Friday at 7:30 a.m., Saturday and Sunday at 7:00 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. We will have a VMO present at the trial, so if your dog needs to be measured, please plan your time accordingly. Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card, should they be asked, upon request.

Move ups for the August 11 trial must be received by 6 p.m. on Monday, August 7 (no exceptions). Move-ups for Friday-Saturday or Saturday-Sunday will be allowed and must be submitted within ½ hour of the end of judging each day. The move-up book will be located on the check-in table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

Directions: The **Frederick Indoor Sports Center** is located at 1845 Brookfield Ct., Frederick, MD 21701.

From Route 70, merge onto US-40 toward US-15 N/Gettysburg (US-40 becomes US-15 N). Merge onto MD-26 E/Liberty Rd. via Exit 17 toward MD-194/Libertytown/Walkersville. Take the 1st right onto Routzahns Way/MD-355. Take 1st right onto Wormans Mill Ct. Take the 1st left onto Brookfield Ct. FISC is on the right.

Food and refreshments will be available at the trial site. There is a new food vendor, P.I.G.S. BBQ, and the menu looks great!

Note: The restaurant opens at 11:00 AM, so breakfast will not be available. Here's the menu: https://media.frederickindoor.com/uploads/pigs_menu.pdf

Crating/setup: The building will be open to agility exhibitors each day at 6:45 a.m. Please note that although the doors are sometimes open earlier for other activities in the building, the club needs to complete ring and equipment set-up before exhibitors will be allowed on the field. NO SET-UPS or site accessibility on Thursday evening. Water ONLY in the crating area, please.

We will be required to COMPLETELY CLEAR the ring at the end of the Friday trial for another scheduled event. Items will need to be completely removed (including all mats, crates, chairs, etc.) by 6:00 PM. We will not have to clear the ring on Saturday. FISC will make an area available upstairs to store crates, etc. overnight. There is an elevator available. If FISC books the upstairs field for Friday evening, crates and chairs will have to be moved to one end of the field.

Crating space on the field is limited. The space on the right wall as you enter the ring is reserved for trial committee. Crates will have priority. Please plan to get cozy with your neighbor and share where you can. If there is insufficient space, you will be asked to remove chairs from the crating area. No tables on the field floor unless they are over crates. There is a very large additional crating space upstairs. **The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.**

Saving of spots on the field will not be allowed, but you are welcome to put down a tarp for your friend upstairs in the lovely, large, quiet and cool crating area. ☺

We wish to thank all those who have volunteered to help at this trial. Any and all assistance makes for a smoother running trial, so please check with the volunteer coordinator often to see how you can help! Volunteers will receive a coupon for each class worked that can be used for future entries or at the P.I.G.S. Restaurant located inside the facility. **Volunteering just got easier!** The Volunteer sheet will be posted at the trial site each day. You can go in and fill in your name where you'd like to work, with our thanks!

Last, but not least! The Usual Dire Warnings:

Respect any "EMERGENCY EXIT" signs, and use them for that purpose ONLY. Propping doors open is strictly prohibited! Most of the side doors of the facility are emergency exits. Please use the front entrance ONLY to go in and out during the trial. FISC is doing a GREAT job of keeping the facility wonderfully cool, so let's do everything we can to help keep it that way. Thank you!

As always, exhibitors are responsible for cleaning up any deposits left by their dog. We want to keep this beautiful site dog-friendly! ☺

Parking - Special Instructions

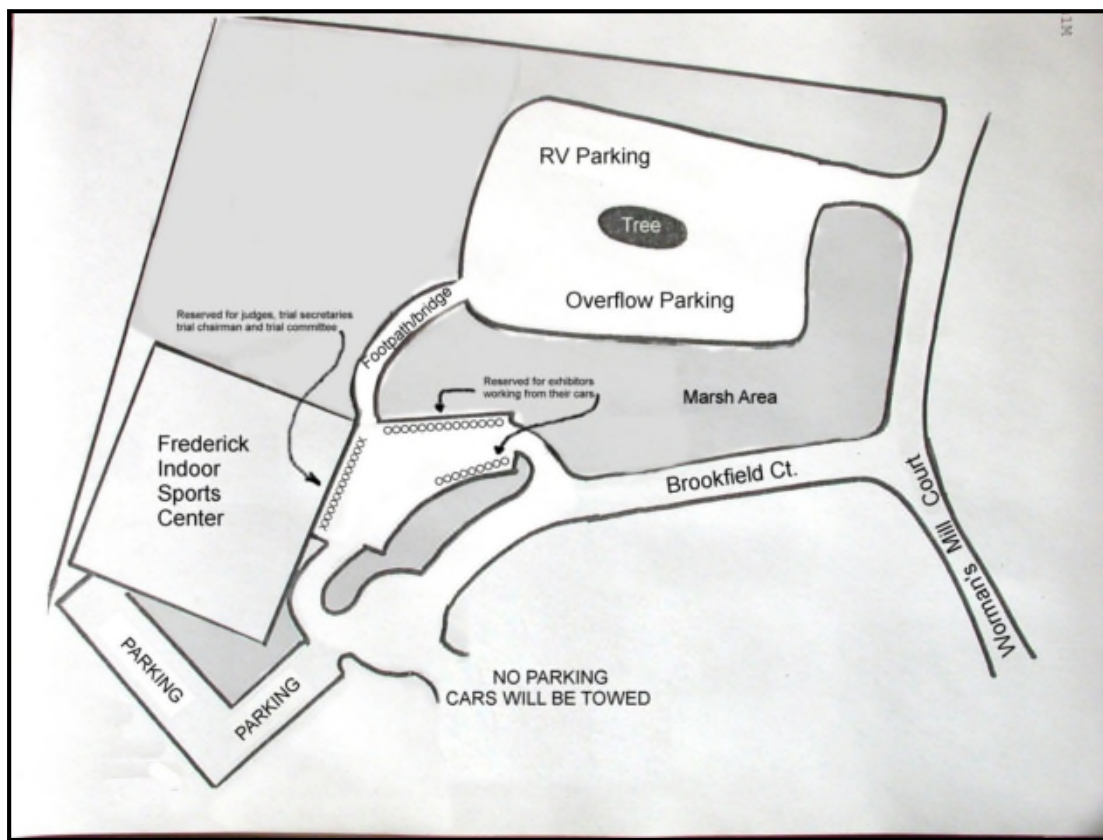

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Reserved for exhibitors working from their cars" (this map is used year-round) may be used for that purpose **ONLY if the weather permits**. They will not be policed; it's an "honor system" style of parking. ☺

With the new crating area upstairs, there is sufficient room inside, so we encourage you to crate inside where it's cool if the summer temperature goes crazy as it sometimes does.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is sometimes available. **Most of the side doors of the facility are emergency exits. Please respect the ones that are marked for that purpose and use the front door to enter and exit. Thank you!**

Motorhome Parking: Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited **ONLY** to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There may be a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**
