● COVID-19 “Stuff” – Policies, Restrictions and Whatnot:

The State of Maryland has lifted covid-19 mask wear and occupancy restrictions. Businesses can set their own rules on mask wearing.

IMPORTANT:

If you are exhibiting signs of illness or have been otherwise told to self-quarantine due to known COVID-19 exposure, please stay home.

- Crating will be allowed inside the building. There is no occupancy restriction. However, social distancing guidelines should still be followed as much as possible with people outside your immediate social circle. This includes interactions with judge, volunteers, club members and other exhibitors.

- Masks will not be required, but are recommended for those who are not fully vaccinated. Note that Baltimore County Transmission level at this time is “high.” A written COVID waiver will not be required.

Leashes: You may run with your leash in your pocket (must fit fully) or wear them while running the course. Don't drop it!

Course maps: Paper course maps will not be available. Course maps will be sent to exhibitors via email each morning. (I will make every effort to send around 6:00 AM.) NOTE: AKC is no longer allowing course maps to be provided the evening before the trial. They will be posted at the trial site, as well, so come prepared to photograph the map for personal use.

Briefings/walkthroughs: See judging schedule page for briefing/walkthrough schedule.

● And now, the REGULAR “Stuff”!

Check-in for measuring: A Measuring Official will not be present at this trial. Dog without height cards will not be required to be measured at this trial. NOTE: Starting August 1, the AKC is returning to the policy of measuring all dogs that do not have a height card. Even if a VMO is not present, all dogs that do not have a height card will need to be measured by the judge of record (if no VMO is present) prior to their first run.

Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial.

Crating/setup:

FRIDAY: The trial site will be open at 4:00 PM on Friday for set-up. **NO DOGS.** Dogs will be allowed in the building at 5:00 PM.

SATURDAY & SUNDAY: The building will open at 6:45 AM each trial day on Saturday and Sunday.

Flooring Restrictions:

A waterproof pad is required under all crates. Only WATER is allowed on the turf flooring—no other type of beverage.

Crumbly dog treats are not allowed on the turf flooring. Soft dog treats are allowed. Food, gum and drinks other than water will not be allowed on the field turf flooring. Please exercise your dog often. If there is an accident, there is a charge of \$5 to offset the cost of cleaning of the turf.

Food will not be available at the trial site. Please plan on packing your lunch. Fast food is available nearby.

Parking: There is plenty of parking near the building. Please follow any signage that may be present.

Limited daytime RV Parking is available. No electric, no hookup. Contact Rhonda Toren (agilitysec@clantyre.net) for additional information.

Move ups for the July 22 trial must be received by 6 PM on Monday, July 18. Move-ups Saturday-Sunday will be allowed and must be submitted within ½ hour of the end of judging each day. Move-up requests after the Monday, July 22 must be made in person at the site. Emails will not be accepted. (To make your Trial Secretary happier, you can move up as soon as you get done celebrating your new title rather than leaving it to the end of the day.) 😊 The move-up book will be located near the Trial Secretary. Look for it around the table with the score monitors.

Volunteers!

Signing up to work your favorite class just got EASIER!! ☺ ***All volunteer signup will be at the trial!*** If you can work the first class either day, please give Rhonda (agilitysec@clantyre.net) a head's up and it'll help us get going each day.

Please check in with our Worker Herders and the posted Volunteer Board each day (with our thanks!!)

The club appreciates your help in making this an efficient and successful event! It's a one-ring trial, so that makes it so much easier to jump in and help where you can! We will be offering coupons for each class worked and a gift-card raffle. Thank you!

The building temperature will be set for the comfort of your dog!

You may wish to bring a light jacket.

“Potty” Instructions

As always, exhibitors are responsible for cleaning up any deposits left by their dog.

*Any exhibitor using areas marked as “DO NOT POTTY” and/or failing to pick up after their dog will be **EXCUSED** without benefit of refund if the Event Committee deems the exhibitor is in violation of this requirement.*

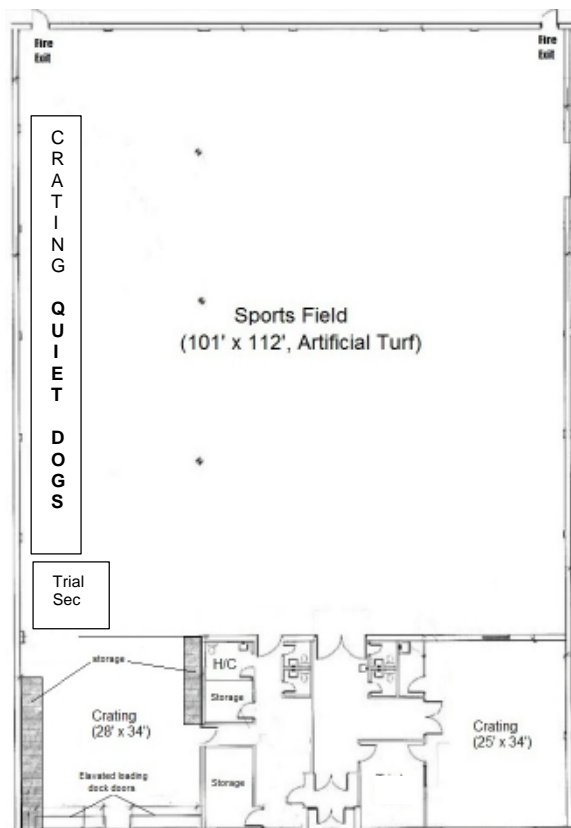

Crating & Facility Information

CRATING SPACE IS LIMITED! Plan on stacking, squishing and being a minimalist. 😊

We ask that exhibitors be considerate of others regarding crating space. There are a number of rooms in the front part of the building which will be marked as crating areas. There is limited crating next to the ring, which can be used if the dog in the crate is well-behaved. Crating space is extremely limited, so plan on getting cozy with your neighbor and sharing where you can. Crates have priority. Ex-pens are allowed but must contain 3 or more dogs. If there is insufficient space, you will be asked to remove chairs from the crating area. Due to space limitations, unentered dogs may be asked to leave.

The Event Committee may limit or move an exhibitor’s crating area if it is in the best interests of the trial.

**UNOCCUPIED TARPS WILL BE REMOVED AT 10:00 AM ON SATURDAY.
 (“Saving space” for those not in attendance will not be allowed.)**

***DISCLAIMER!** These are start time GUESSTIMATES.

They do not factor in absences, obsessive walkthroughs, quick or slow course times, awesomely fast course changes, clean-ups, earthquake, tsunami or volcanic eruption.

No fair getting crabby if you arrive too early or too late. ☺
