## August 5, 6 & 7, 2016 Judging Program

Frederick Indoor Sports Center, 1845 Brookfield Court, Frederick, MD 21701  
**Entry Confirmation & Judging Program**

**Please check your entry information for accuracy! (Especially your dog's AKC number and the classes entered!)**

If there are any errors, please contact the trial secretary:

**Rhonda Toren** ♦ Phone: 410-997-3698 ♦ e-mail: [agilitysec@clantyre.net](mailto:agilitysec@clantyre.net)

### **NO MORE ARMBAND LABELS!! Wheeeeeee! ☺**

Armband labels are no longer required! Your check-in will be on the Gate sheets for your class. Please remember: Any changes in running order must be done by the Gate Steward for the class.

**Check-in for measuring:** Begins each day at 7:00 a.m. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured by one of the judges prior to running. We do not expect to have a measuring official present at this trial, so any measurement will be for this weekend of trials only. Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card, should they be asked, upon request.

**Move ups** for the August 5 trial must be received by 6 p.m. on Monday, August 1. Day-to-day move ups will be allowed between trial days and must be submitted in person to the trial secretary within ½ hour of the end of judging on Friday and Saturday. The move-up book will be located on the check-in table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

**Parking:** See **Parking - Special Instructions page in judging schedule.** Please note parking spaces in front of the building are for Judges and club staff. Please do not park in these marked spaces or you will be asked to move your car.

**Food and refreshments** will be available at the trial site.

**Crating/setup:** The building will be available on Friday immediately after all equipment is unloaded on (approximately 7:00 a.m.), and at 6:45 a.m. on Saturday and Sunday morning. NO SET-UPS or site accessibility on Thursday evening. Water ONLY in the crating area, please.

**We will be required to COMPLETELY CLEAR the ring at the end of the Friday trial for another scheduled event. Items will need to be completely removed (including all mats, crates, chairs, etc.) by 6:00 PM. We will not have to clear the ring on Saturday. Those exhibitors crating upstairs will not have to move.**

Usually, the facility has a space for us to store our gear Friday night. Ask a committee member and we'll be able to point you in the right direction.

This is a full trial! Crating space is limited, so plan on getting cozy with your neighbor and sharing where you can. There is additional crating space upstairs. Due to space limitations, unentered dogs may be asked to leave. All walkways must be kept clear (per fire marshal).

### **We wish to thank all those who volunteer to help at this trial!**

Please follow the link below to sign up to volunteer online wherever you like! We can't do it without you!

The link for the volunteer sign-up document is: <http://bit.ly/1jTBIEV>

Volunteers will receive a coupon for each class worked that can be used for future entries or at the Replay Café.

### **Last, but not least! The Usual Dire Warnings:**

Respect any "EMERGENCY EXIT" signs, and use them for that purpose ONLY. Propping doors open is strictly prohibited! Most of the side doors of the facility are emergency exits. Please use the front entrance ONLY to go in and out during the trial. FISC is doing a GREAT job of keeping the facility wonderfully cool, so let's do everything we can to help keep it that way. Thank you!

As always, exhibitors are responsible for cleaning up any deposits left by their dog. We want to keep this beautiful site dog-friendly! ☺

# Parking - Special Instructions

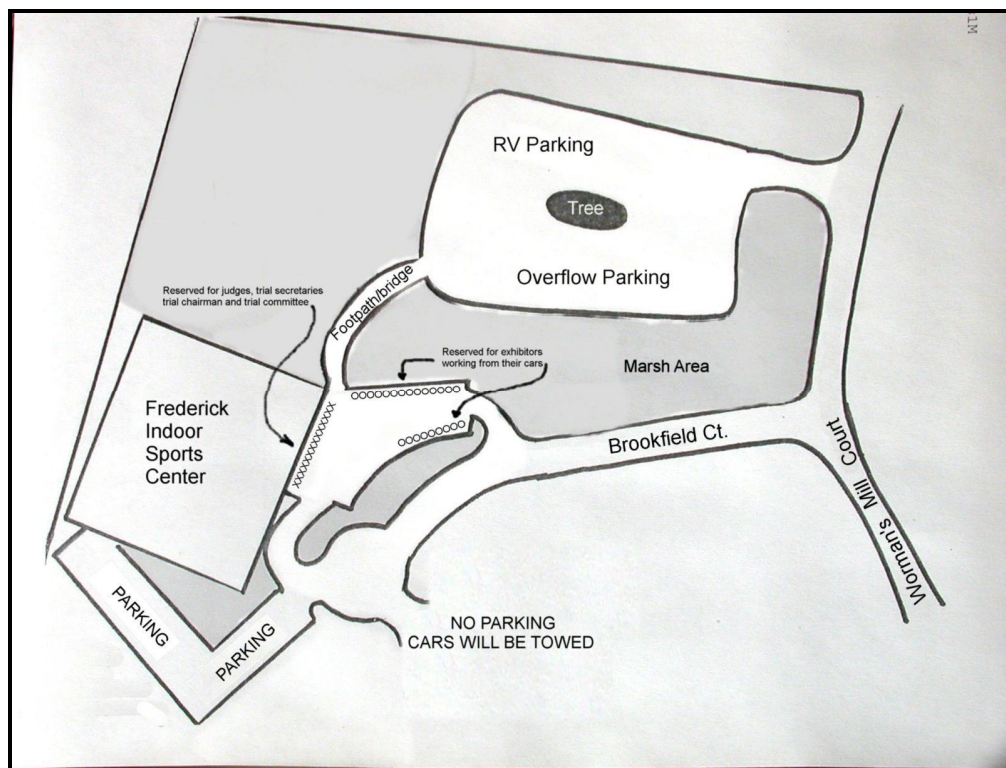

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Reserved for exhibitors working from their cars" will not be used for that purpose. We expect the temperatures to be hot enough that all dogs should be crated inside. ☺ Even though it can be a little tight, there is sufficient room inside!

Please do NOT block the driveways. There additional parking in the circular paved "overflow" area to the right of the building. **No ex-pens** in the parking area.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is sometimes available. **Most of the side doors of the facility are emergency exits. Please respect the ones that are marked for that purpose and use the front door to enter and exit. Thank you!**

**Motorhome Parking:** Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited ONLY to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There is now a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**

\*Load balance: These heights will be judged by Pam Johnson.  
 Exhibitors are entitled to a full refund for entries affected by the judge change.

**Here are a couple of things exhibitors can do to help things run quickly and smoothly:**

Please be on the line at least 4 dogs before your turn.

**IMPORTANT:**

Handlers with multiple dogs: Please request to walk with an EARLIER height group other than the one your dog is entered in if a conflict is imminent. This insures timely results for each height.

*Enjoy!*
