**Check-in for measuring:** Begins on Friday at 7:45 a.m., Saturday and Sunday at 7:00 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

**Reminder:** All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card upon request. **VMOs** will be present all three days. If you do not have a permanent height card, your dog **MUST** be measured for one.

**Move ups** for the August 4 trial must be received by 6 p.m. on Monday, July 31. Day-to-day move ups will be allowed between trial days and must be submitted in person to the trial secretary within ½ hour of the end of judging on Friday and Saturday. The move-up book will be located on the information table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

**Parking:** See **Parking - Special Instructions** page in judging schedule.

**Food and refreshments** will be available at the trial site. There is a new food vendor, P.I.G.S. BBQ, and the menu looks great!

Note: The restaurant opens at 11:00 AM, so breakfast will not be available.

### **Last, but not least! The Usual Dire Warnings:**

Respect any “EMERGENCY EXIT” signs, and use them for that purpose ONLY. Propping doors open is strictly prohibited! Most of the side doors of the facility are **emergency exits**. Please use the front entrance ONLY to go in and out during the trial. FISC is doing a GREAT job of keeping the facility wonderfully cool, so let's do everything we can to help keep it that way. Thank you!

As always, exhibitors are responsible for cleaning up any deposits left by their dog. We want to keep this beautiful site dog-friendly! ☺

# Parking - Special Instructions

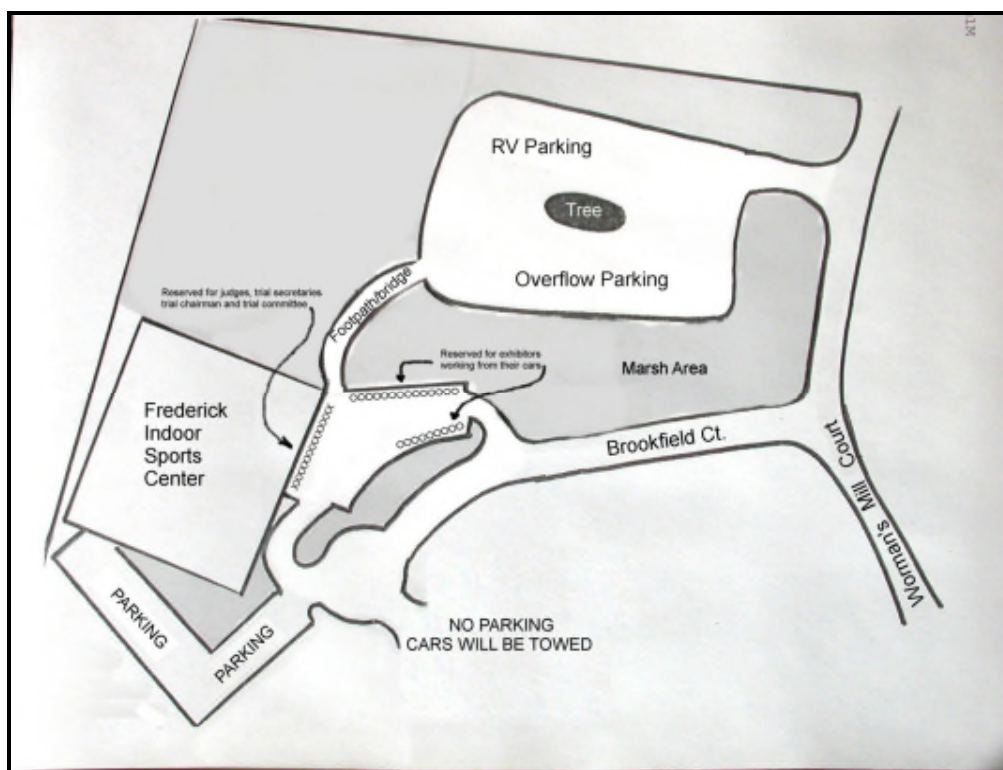

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Reserved for exhibitors working from their cars" will not be used for that purpose. We expect the temperatures to be hot enough that all dogs should be crated inside. ☺ Even though it can be a little tight, there is sufficient room inside!

Please do NOT block the driveways. There additional parking in the circular paved "overflow" area to the right of the building. **No ex-pens** in the parking area.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is sometimes available. **Most of the side doors of the facility are emergency exits. Please respect the ones that are marked for that purpose and use the front door to enter and exit. Thank you!**

**Motorhome Parking:** Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited ONLY to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There is now a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**

### Here are a couple of things exhibitors can do to help things run quickly and smoothly:

Please be on the line at least 4 dogs before your turn.

#### IMPORTANT:

Handlers with multiple dogs: Please request to walk with an EARLIER height group other than the one your dog is entered in if a conflict is imminent. This insures timely results for each height.

*Enjoy!*
