Cancellation & Refund Policy:

- As of the publishing of this premium, we expect the trial to go on as described. All trial decisions will be in accordance with Maryland state and local guidelines in place at the time of the trial.

Other things you can expect on trial days:

- As of the publishing of this premium, we expect indoor crating to be allowed.
- Social distancing guidelines should still be followed as much as possible with people outside your immediate social circle. This includes interactions with judge, volunteers, club members and other exhibitors. Masks may be required, but the policy will be detailed in the judging program for the event. We will follow state/local guidelines at the time of the trial.
- Paper course maps will not be available. Course maps will be displayed. As of October 1, AKC is no longer allowing course maps to be supplied to exhibitors the day before the trial. - AKC is allowing exhibitors to run with leashes in pocket (must fit fully) or wear them when running course for the rest of 2021. Don't drop it!
- Exhibitors are expected to follow state, local government, event and facility guidelines. Full details will be included in the judging schedule.

AKC Class Changes, Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day: Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG): As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Measuring and Height Card Information

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Height Divisions		
Regular	Preferred	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or approved Foundation Stock Service (FSS) breeds are eligible to participate. Entries are open to All-American/Mixed Breed dogs listed in the AKC Canine Partners program. PAL/ILP/Canine Partners must be spayed or neutered in order to participate. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Additional information about the AKC Canine Partners program is located at: www.akccaninepartners.org.

Obstacles and Ring Conditions

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials and are supplied by Oriole Dog Training Club.

All classes will take place indoors on **Sprinturf**®. Ring size will be 90' x 93' with 3 pillars in the ring. Electronic timers will be used.

Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Please make every effort to walk with an *earlier* group to ensure the smooth running of the trial and timely results for each height division.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Ribbons, Awards and Prizes

Ribbons will be awarded in each jump height in each class as follows:

- First Place.....Blue
- Second Place.....Red
- Third Place.....Yellow
- Fourth Place.....White
- Qualifying Score.....Dark Green Ribbon

A rosette will be offered to all dog/handler teams finishing a title.

A bar will be offered to dog/handler teams who finish their MACH, PACH or PAX.

A ribbon will be given for a perfect score not earned in the Master classes.

A ribbon will be given for a double-Q earned from the Master class.

After Closing Waiting List

ODTC is not offering an after closing waiting list for this trial. Any exhibitor that wishes to withdraw must do so before the published closing date and time.

It's a one-ring trial, and it makes it that much easier (and fun!) to help.!

Volunteering just got easier!

Signing up to volunteer will be at the trial.

Find the big volunteer board!

Find your favorite job!

Ask the Coordinator to write your name in the spot!

Wow! That was easy!

Thanks!!!
