<u>General Information, Admission and the Usual Dire Warnings</u>: The Cow Palace is heated, has indoor bathrooms and a food vendor will be available for breakfast and lunch.

There is a door on the south side of the building for use by agility exhibitors only. When you first enter, your name will be checked off a list and you will be given a **wristband** that will allow you access to the trial site. One extra wristband will be available for "kennel help" that accompanies you when you get your wristband. If you do not have your wristband, you must pay the Pet Expo admission fee.

No exhibitors will be allowed in the Pet Expo vendor area when the Pet Expo is not open to the public. Wandering the vendor area when the Pet Expo is not open will be grounds for misconduct and dismissal from the trial.

As always, exhibitors are responsible for cleaning up any deposits left by their dog. Any exhibitor failing to pick up after their dog will be EXCUSED without benefit of refund if the Event Committee deems the exhibitor is in violation of this requirement.

Crating/setup: The Cow Palace will be open at 7:00 AM each trial day.

Exhibitors who will help with unloading/ring setup may set up on Thursday starting at 5 PM. They may place a marker for their personal setup areas before helping, and can complete their setup areas when the unloading and basic ring setups are completed. Exhibitors not helping with unloading may set up on Thursday only between 6:30 pm and 7:15 PM, at which time the building will be closed.

We ask that exhibitors be considerate of others regarding crating space. Crating space is extremely limited, so plan on getting cozy with your neighbor and sharing where you can. Crates have priority. If there is insufficient space, you will be asked to remove chairs from the crating area. Due to space limitations, unentered dogs may be asked to leave. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

<u>Parking</u>: The parking area at the end of the building along the fence will likely be marked as Handicapped parking for this event. Please note and respect any signage that may be present.

<u>Check-In/Course maps</u>: Check-in will be at the gate sheets that will be located at ringside. Course maps will be available at the information table near the Secretary area.

<u>Check-in for measuring</u>: Begins each day at 7:00 AM and available throughout the day. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. A Measuring Official will be present at this trial. All dogs without height cards (including those jumping 24" & 26") will need to be measured. Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card, should they be asked, upon request.

<u>Move ups</u> for the January 27 trial must be received by 6 PM on Monday, January 23. Move-ups for Friday-Saturday and Saturday-Sunday will be allowed and must be submitted within ½ hour of the end of judging each day. The move-up book will be located on the check-in table.
