Last, but not least! The Usual Dire Warnings:

PWCCP reserves the right to ask any attendee(s) to leave an event, if it is determined that the behavior of the attendee(s) or their dog(s) is (are) creating an unsafe situation for the other attendees of that event.

Respect any "EMERGENCY EXIT" signs, and use them for that purpose ONLY. Most of the side doors of the facility are emergency exits. Please use the front entrance ONLY to go in and out during the trial. Thank you!

As always, exhibitors are responsible for cleaning up any deposits left by their dog. We want to keep this beautiful site dog-friendly! ☺

Parking - Special Instructions

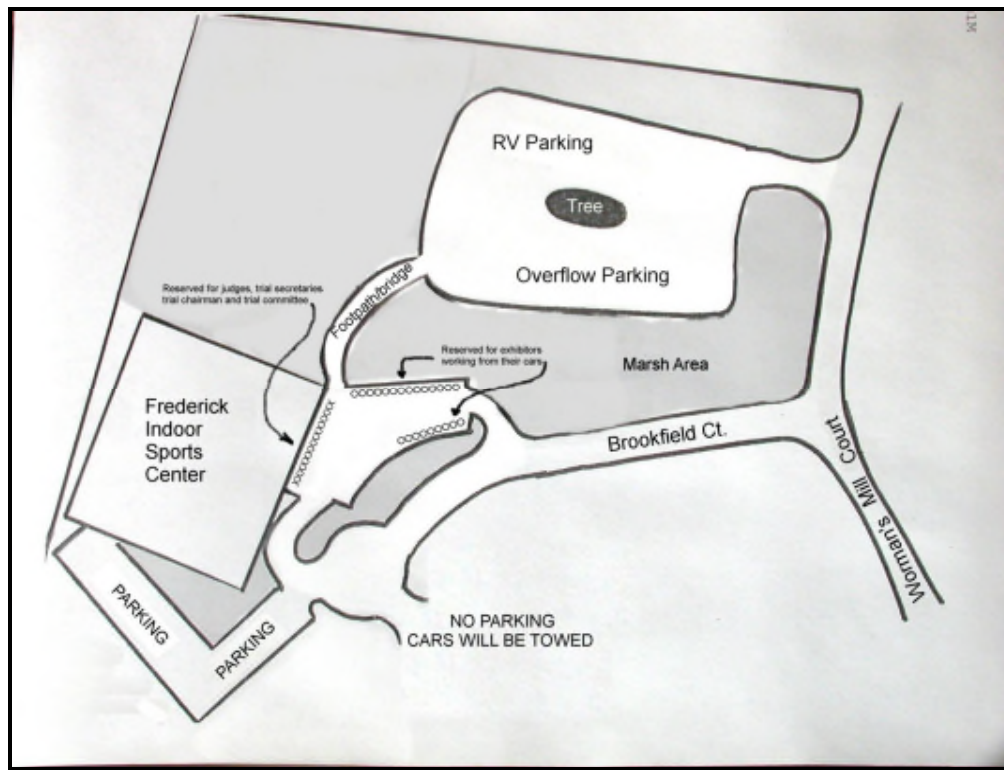

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Reserved for exhibitors working from their cars" (this map is used year-round) may be used for that purpose ONLY if the weather permits. They will not be policed; it's an "honor system" style of parking. ☺ Even though it can be a little tight, there is sufficient room inside, so we encourage you to crate inside where it's cool if the July temperature goes crazy as it sometimes does.

Please do NOT block the driveways. There additional parking in the circular paved "overflow" area to the right of the building. **No ex-pens** in the parking area.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is sometimes available. **Most of the side doors of the facility are emergency exits. Please respect the ones that are marked for that purpose and use the front door to enter and exit. Propping doors open is strictly prohibited. Thank you!**

Motorhome Parking: Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited ONLY to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There is sometimes a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**

Here are a couple of things exhibitors can do to help things run quickly and smoothly:

Please be on the line at least 4 dogs before your turn.

IMPORTANT:

Handlers with multiple dogs: Please request to walk with an EARLIER height group other than the one your dog is entered in if a conflict is imminent. This insures timely results for each height.

Enjoy!

**Judge Change Notice:

Pam Johnson will be unable to join us. Oksana Syrkin has graciously agreed to judge her classes. Exhibitors are entitled to a full refund for entries affected by the judge change if they chose not to run. Requests for refund must be made at least 30 minutes prior to the start of judging.

A Note From Our Judges A Very Special Fundraising Event!

Don't Run Off!

Come and enjoy the fundraiser for our dear friend Pam Johnson.

As you may know, we have a fellow judge, Pam Johnson, who is battling leukemia and will be in Johns Hopkins Hospital for a month. She will then have outpatient treatment for another 4 weeks.

Pam is retired now and has been supplementing her income with judging. She has had to withdraw from quite a few assignments and it is unknown when she will be able to resume judging.

A friend of hers has started a Go Fund Me account to try and help supplement her income so that she can concentrate on getting better, and to help with uncovered medical expenses.

We will hold fund raising runs to donate to Pam Johnson Loss of Income Fund.

**Come and watch our Judges run a Standard course as dogs
at the end of the day on Saturday as an incentive for exhibitors to donate.**

Come, Sit, Stay and join the fun and support Pam in her recovery!
