### Last, but not least! The Usual Dire Warnings:

PWCCP reserves the right to ask any attendee(s) to leave an event, if it is determined that the behavior of the attendee(s) or their dog(s) is (are) creating an unsafe situation for the other attendees of that event.

Respect any "EMERGENCY EXIT" signs, and use them for that purpose ONLY. Most of the side doors of the facility are emergency exits. Please use the front entrance ONLY to go in and out during the trial. Propping doors open is strictly prohibited. Thank you!

As always, exhibitors are responsible for cleaning up any deposits left by their dog. We want to keep this beautiful site dog-friendly! ☺

# Parking - Special Instructions

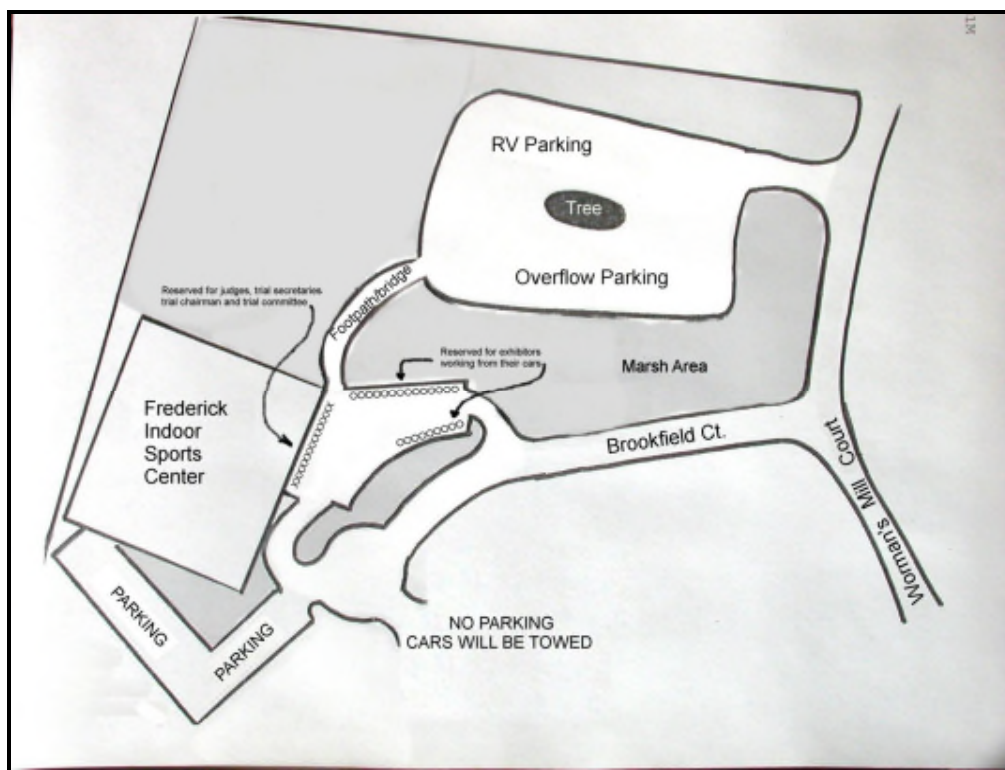

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Reserved for exhibitors working from their cars" that are directly in front of the building are no longer available to us. The facility typically has them marked off with large barriers. The other spaces may be used for crating out of the car **ONLY if the weather permits**. They will not be policed; it's an "honor system" style of parking. ☺

We encourage you to crate inside where it's cool if the summer temperature goes crazy as it sometimes does. There is typically some space available upstairs. If not, we'll find a space for you so that your dog can be safe and cool.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is sometimes available. **Most of the side doors of the facility are emergency exits. Please respect the ones that are marked for that purpose and use the front door to enter and exit. Thank you!**

**Motorhome Parking:** Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited ONLY to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There may be a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**

### **Here are a couple of things exhibitors can do to help things run quickly and smoothly:**

Please be on the line at least 4 dogs before your turn.

#### **IMPORTANT:**

Handlers with multiple dogs: Please request to walk with an EARLIER height group other than the one your dog is entered in if a conflict is imminent. This insures timely results for each height.

*Enjoy!*

### **\*\* Judge Change Notice (load balance):**

Saturday: Premier JWW 20-24C will be judged by Janet Budzynski.

Sunday: Premier JWW 4-8 will be judged by Judith Kolva.

Exhibitors are entitled to a full refund for entries affected by the judge change if they chose not to run.

Requests for refund must be made at least 30 minutes prior to the start of judging.

Premier JWW may be moved in it's entirety to Ring 1 if the committee decides that it will result in the smoother running of the trial.

During the AM time, we expect some unavoidable conflicts to happen. Ring precedent will be clearly posted at each ring.
