Check-in:

Your check-in will be at the gate sheets and are for check-in *only*. Any changes in running order must be done by the Gate Steward for the class.

Check-in for measuring: Begins both days at 7:30 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. A Measuring Official will be present at this trial. All dogs without height cards (including those jumping 24" & 24C") will need to be measured. Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial in order to present the card upon request.

Move ups for the July 27 trial must be received by 6 p.m. on Monday, July 22. Day-to-day move ups will be allowed between trial days and must be submitted in person to the trial secretary within ½ hour of the end of judging on Saturday. The move-up book will be located on the information table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

Parking: See Parking - Special Instructions page in judging schedule.

Food and refreshments will be available at the trial site. P.I.G.S. BBQ is the on-site restaurant, serving great food!
Note: The restaurant opens at 11:00 AM, so breakfast will not be available.

Additional Exhibitor Information & Special Instructions

The parking map below clearly outlines available parking. The facility marks spaces that are used for their tenants and employees, so please be sure to respect those signs. The spaces marked "Judges, Committee, etc." that are directly in front of the building are no longer available to us. The facility typically has them marked off with large barriers. The other spaces may be used for crating out of the car **ONLY if the weather permits**. They will not be policed; it's an "honor system" style of parking. ☺

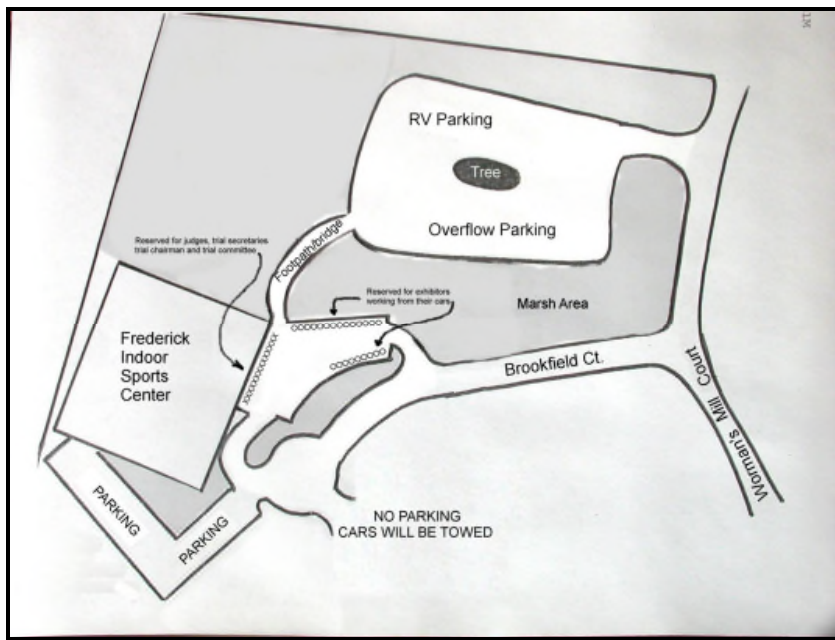

We encourage you to crate inside where it's cool if the summer temperature goes crazy as it sometimes does.

Do not park in the parking areas of the businesses directly across from the Sports Center. **You WILL be towed.**

Unloading: You may unload at the front entrances. There is also an entrance/exit on the left side of the building that is available.

Respect any "EMERGENCY EXIT" signs and use the doors for that purpose ONLY. Propping doors open is strictly prohibited.

Motorhome Parking: Parking for Motorhomes is available at the show site (in the area marked "Overflow Parking") for Thursday, Friday and Saturday nights. Motorhome parking is limited **ONLY** to those spaces in that are marked "Overflow Parking." No hookups, no electricity, no dumping. **There may be a locked gate at the entrance to the Overflow Parking Area. The combination is available at the front desk of FISC, and they are normally open until 11:00 PM.**

Here are a couple of things exhibitors can do to help things run quickly and smoothly:

Please be on the line at least 4 dogs before your turn.

IMPORTANT:

Handlers with multiple dogs: Please request to walk with an EARLIER height group other than the one your dog is entered in if a conflict is imminent. This insures timely results for each height.

Enjoy!
