## Check-in:

Your check-in will be at the gate sheets and are for check-in \*only\*. Any changes in running order must be done by the Gate Steward for the class.

**Check-in for measuring:** Begins on Friday at 8:00 a.m., Saturday and Sunday at 7:15 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. We do not expect a VMO to be present at this trial, so any dog (excluding dogs entered in the 24" and 26" height) will need to be measured by one of the judges. This measurement will be good for this weekend of trials ONLY. Reminder: All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card, should they be asked, upon request.

**Parking:** See parking instructions on next page.

**Move ups** for the April 28 trial must be received by 6 p.m. on April 24. Move-ups for Friday-Saturday or Saturday-Sunday will be allowed and must be submitted within ½ hour of the end of judging each day. The move-up book will be located on the check-in table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

**Crating/setup:** The building will be available on Friday immediately after all equipment is unloaded (approximately 7:45 a.m.), Saturday immediately after all equipment is unloaded (approximately 7:15 a.m.) and Sunday morning at 7:00 a.m. NO SET-UPS or site accessibility on Thursday evening. Water ONLY in the crating area, please.

**The terms of the facility contract make it necessary for us to completely clear BOTH RINGS after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed from the fields. We will not have to clear either ring after the Saturday trial.**

**We wish to thank all those who have volunteered to help at this trial!** Any and all assistance makes for a smoother running trial, so please check with the volunteer coordinator in each ring often to see how you can help! **Volunteering just got easier!** The Volunteer sheets will be posted at the trial site each day. You can go in and fill in your name where you'd like to work, with our thanks!

Here are a couple of things exhibitors can do to help things run quickly and smoothly:

Please be on the line at least 4 dogs before your turn.

### IMPORTANT:

Handlers with multiple dogs:

If a conflict is imminent, you must walk with an EARLIER height group if you are not able to walk with your own height class.

You may then run at the end of the earlier height group or at the beginning of your height group.

Please notify the Gate Steward at each ring if you have a conflict. This ensures timely results for each height. ☺

Enjoy!
