**Crating/setup:** The building will be available on Friday immediately after all equipment is unloaded (approximately 7:30 a.m.), Saturday immediately after all equipment is unloaded (approximately 7:15 a.m.) and Sunday morning at 7:00 a.m. NO SET-UPS or site accessibility on Thursday evening. ALL crates, chairs, etc. must be removed from the field. We will not have to clear either ring after the Saturday trial. The facility typically provides a space for us to store our "stuff" on Friday night. We'll have more information about that on Friday at the trial.**

**We wish to thank all those who have volunteered to help at this trial.** Any and all assistance makes for a smoother running trial, so please check with the volunteer coordinator in each ring often to see how you can help! **Volunteering just got easier!** The Volunteer sheets will be posted at the trial site each day. Here are a couple of things exhibitors can do to help things run quickly and smoothly:

Please be on the line at least 4 dogs before your turn.

**IMPORTANT:**

Handlers with multiple dogs:

If a conflict is imminent, you must walk with an EARLIER height group if you are not able to walk with your own height class.

You may then run at the end of the earlier height group or at the beginning of your height group.

Please notify the Gate Steward at each ring if you have a conflict. This ensures timely results for each height. ☺

Enjoy!
