Measuring and Height Card Information

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

Height Divisions		
Regular	Preferred	Height at Withers
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
24C"	n/a	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or approved Foundation Stock Service (FSS) breeds are eligible to participate. Entries are open to All-American/Mixed Breed dogs listed in the AKC Canine Partners program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Additional information about the AKC Canine Partners program is located at: www.akccaninepartners.org.

Obstacles and Ring Conditions

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials and are supplied by MAD Agility. Electronic timers will be used in both rings.

All classes will take place indoors on field turf surface. Ring size will be 80 x 110.

Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Please make every effort to walk with an *earlier* group to insure the smooth running of the trial and timely results for each height division.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

Ribbons, Awards and Prizes

Ribbons will be awarded in each jump height in each class as follows:
 First Place.....Blue
 Second Place.....Red
 Third Place.....Yellow

Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Waterproof cloth or tarps must be placed underneath crates. Crating space is limited. Unentered dogs may be asked to leave. High occupancy ex-pens (3 dogs or more) ONLY.

The terms of the facility contract make it necessary for us to completely clear the ring after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed. We will not have to clear either ring after the Saturday trial. The facility typically offers a space to put "stuff" overnight. We will make information available as soon as possible.

We will have a number of priority parking spaces available for those who are willing to work from their cars. These spaces are first-come, first-served.

IMPORTANT NOTICE: Crate aggressive dogs or dogs who create a disturbance must be covered and monitored by owners and may not be positioned in heavy traffic areas. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Dogs **MAY NOT** be left overnight. SSCGB will not be responsible for any lost or damaged items left at the trial site.

All dogs must be on a leash at all times except when in the ring or when in the designated agility warm-up area.

Food will be available on site all three days.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Catalogs may be pre-ordered for \$10.00 with your entry. A very limited number of catalogs will be available for sale on the trial date.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Event Committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. SSCGB and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the trial grounds.

Motorhomes requiring a spot larger than a standard 7' x 18' space must be parked in the Lower lot. (*Strictly enforced.*) Overnight parking is allowed in the Lower lot only.
