### AMERICAN KENNEL CLUB CERTIFICATION

Permission is granted by the American Kennel Club for the holding of this event under American Kennel Club rules and regulations.

**Gina M. DiNardo, Executive Secretary**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

#### ◆ Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

#### ◆ Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Toys are allowed in the ring

Toys must be non-audible

Toys may not leave the handler's hand

Toys that roll freely cannot be used

Food/treats are not allowed in the ring

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

A judge must monitor the entire run. Judges can stop a run at any time

## Measuring and Height Card Information

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C" height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Jump Height Card Process: When filling out the entry form, there is a box on the form for exhibitors to designate whether their dog needs to be officially measured. Please indicate (by checking the box) if your dog needs to be on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.

| Height Divisions   |  |  |
|--|--|--|
| Regular  | Preferred  | Height at Withers  |
| Handlers may opt to run their dog in a higher height division. | Handlers must run their dog in their proper eligible height. | Owners are responsible for entering their dog in the proper height division.   |
| 8"   | 4"   | For dogs 11 inches and under at the withers  |
| 12"  | 8"   | For dogs 14 inches and under at the withers  |
| 16"  | 12"  | For dogs 18 inches and under at the withers  |
| 20"  | 16"  | For dogs 22 inches and under at the withers  |
| 24"  | 20"  | For dogs over 22 inches at the withers   |
| 24C"   | n/a  | Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice. |

Please consult the AKC Regulations for Agility Trials for a complete description and eligibility for entry into these classes. The exhibitor is fully responsible for entering the dog in the correct class(es)/height divisions. Dogs running in a lower height division than they are eligible for will be eliminated.

## Dogs Eligible to Enter

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/ Indefinite Listing Privileges (PAL/ILP), or approved Foundation Stock Service (FSS) breeds are eligible to participate. Entries are open to All-American/Mixed Breed dogs listed in the AKC Canine Partners program and must be spayed or neutered in order to participate. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is taped or bandaged in any way or has anything attached to it for medical purposes.

All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules>. Additional information about the AKC Canine Partners program is located at: [www.akccaninepartners.org](http://www.akccaninepartners.org).

## Obstacles and Ring Conditions

Obstacles shall meet the specifications for obstacles in the current edition of Regulations for Agility Trials and are supplied by MAD Agility. Electronic timers will be used in both rings.

All classes will take place indoors on field turf surface. Ring size will be 80 x 110.

## Course Walk-throughs and Warm-Up Information

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Please make every effort to walk with an \*earlier\* group to insure the smooth running of the trial and timely results for each height division.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog.

## Ribbons, Awards and Prizes

Ribbons will be awarded in each jump height in each class as follows:  
 First Place.....Blue  
 Second Place.....Red  
 Third Place.....Yellow  
 Fourth Place.....White  
 Qualifying Score.....Dark Green Ribbon

A rosette will be offered to all dog/handler teams finishing a title.  
 (Including Premier, T2B, MX, MXP, MXJ, MJP, MXF, MFXP PACH, MACH)  
 A bar will be offered to dog/handler teams who finish their MACH or PACH.

## Refund Policy

**Medical Condition:** Dogs that cannot compete due to an injury or illness where a veterinarian determines that the dog should not run will be given a partial refund (50%) of entry fees.

**Kennel Cough/K9 Influenza:** Any dog diagnosed with a communicable disease AND any other dog in the household entered in the trial will be given a partial refund (50%) of entry fees.

Note: Dogs and their housemates are ineligible to enter any AKC sanctioned event for 30 days past the date of diagnosis of communicable disease (Chapter 11, Section 9 of the AKC Rules Applying to Dog Shows.)

**Deceased Dog:** Full refund will be made provided the Trial Secretary receives written or emailed notification prior to the start of the trial. No Vet note required.

Clubs must list in the premium all situations for which they will provide a refund. Refunds will not be made for any circumstance other than those listed. This includes but is not limited to injured handlers, death in the family, other owner/handler emergencies. Clubs/Trial Chairs/Trial Secretaries cannot make exceptions or honor refund requests for situations not listed. (AKC Regulations for Agility Trials, Chapter 1, Section 9.)

\*All veterinarian notes must be signed, dated after the closing date, on official business letterhead and presented to the Trial Secretary no later than one half hour prior to the start of judging on the first day of the trial. ## Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Waterproof cloth or tarps must be placed underneath crates. Crating space is limited. Unentered dogs may be asked to leave. High occupancy ex-pens (3 dogs or more) ONLY.

**The terms of the facility contract make it necessary for us to completely clear the ring after the end of the Friday trial (ONLY) for other scheduled events on Friday evening. ALL crates, chairs, etc. must be removed. We will not have to clear either ring after the Saturday trial. The facility typically offers a space to put "stuff" overnight. We will make information available as soon as possible.**

**We will have a number of priority parking spaces available for those who are willing to work from their cars. These spaces are first-come, first-served.**

**IMPORTANT NOTICE:** Crate aggressive dogs or dogs who create a disturbance must be covered and monitored by owners and may not be positioned in heavy traffic areas. The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Dogs **MAY NOT** be left overnight. SSCGB will not be responsible for any lost or damaged items left at the trial site.

All dogs must be on a leash at all times except when in the ring or when in the designated agility warm-up area.

Food will be available on site all three days.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Catalogs may be pre-ordered for \$10.00 with your entry. A very limited number of catalogs will be available for sale on the trial date.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Entry fees shall not be refunded in the event that a dog is absent, disqualified, excused by a veterinarian or judge, or barred from competition by action of the Event Committee.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. SSCGB and its agents, employees, etc. will assume no responsibility for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the trial grounds.

Motorhomes requiring a spot larger than a standard 7' x 18' space must be parked in the Lower lot. (*Strictly enforced.*) Overnight parking is allowed in the Lower lot only.
