Check-In:

Your check in will be at the posted gate sheets. Any changes in running order must be done by the Gate Steward for the class.

Check-in for measuring: Begins both days at 8:00 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. **Reminder:** All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card upon request.

We expect an AKC Field Representative to be present. If you do not have a permanent height card, your dog MUST be measured for one. Remember to bring your dog's information with you (particularly AKC number) so that you can fill out the Measurement Form prior to being measured.

Move ups for the October 20 trial must be received by 6 p.m. on Monday, October 17. Moveups will be allowed between the October 20 and October 21 trial dates and must be submitted in person to the trial secretary by the end of judging on Thursday, October 20. The "Move-Up" book will be located on the check-in table.
