Check-in for measuring: Begins on Friday at 8:45 a.m., Saturday at 7:15 a.m. Additional measuring time will be provided (as available) as courses are being set. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running. **Reminder:** All exhibitors should carry their dog's original AKC official Jump Height Card with them to each trial, in order to present the card upon request. (We are not expected to have a VMO this weekend.)

Move ups for the September 20 trial must be received by 6 p.m. on Monday, September 16. Day-to-day move-ups will be allowed and must be submitted within ½ hour of the end of judging each day. The move-up book will be located on the check-in table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight.

Parking: See parking map and information on page 3.

Food will be available at the trial site on Saturday and Sunday ONLY. **Please plan to bring your own lunch on Friday.**

Crating/setup: Limited indoor crating available. We will have priority parking spaces available for those who are willing to work from their cars. Since indoor crating space is limited, unentered dogs may be asked to leave the crating area. There is plenty of space to set up tents outside for crating. There will be NO set-up on Thursday evening. ***The building will be open at 7:00 a.m. each day.*** NO crate set-up will be allowed on Friday morning until everything is in place!

We wish to thank all those who have volunteered to help at this trial!

The worker schedule will be sent via e-mail by the Wednesday before the trial and/or posted to the club website: <http://www.sscgb.org>. The worker coordinator will be Barb Miller (e-mail: barbscottmiller@embarqmail.com / phone: 717-334-7394). Any and all assistance makes for a smoother running trial! **It is a one-ring trial, so it makes it that much more fun - and easy - to help out!**

PARKING INFORMATION

All competitors must park and unload on the grass in designated areas ONLY.

Car entrance/exit is clockwise ONLY.

Priority parking spaces will be available for those who are willing to work from their cars. They will be clearly marked.

Club member parking will be clearly marked.

Motorhomes will need to enter/exit using the "Entrance" side ONLY because of the road conditions on the car exit side. RV's will be allowed to arrive on Thursday evening. Signs will be posted to guide you to acceptable RV set-up areas.

Do not mess with club parking officials. They could get cranky and then we'll have to do AKC paperwork, which makes everyone else cranky. ☺

Herding!

**We will be hosting AKC Herding Tests on Saturday, September 21.
They will take place in the fields marked "HIT" and "HT."**

The tests will be judged by Susan Rhoades from Keepstone Farm.

You can sign up on the day of show until 12:00 Noon (or until published limits are reached), so if your dog has not experienced sheep, now is a great time to give it a try!
