- **COVID-19 "Stuff" – Policies, Restrictions and Whatnot:**

IMPORTANT: If you are exhibiting signs of illness or have been otherwise told to self-quarantine due to known COVID-19 exposure, please stay home.

- At this time, the wearing of masks in the building is optional. However, the COVID situation is ever changing, and we will follow the facility, state and local mandates at the time of the trial. Signs will be posted if anything changes. Please come prepared with a mask just in case.

- **Crating** will be allowed inside the building. (See more information below.)

- **And now, the regular stuff:**

Crating/setup: The building will open at 6:30 AM on Friday, 6:45 on Saturday and Sunday. NO SET-UPS or site accessibility on Thursday evening.

Friday Morning: Folks who are willing to help move the equipment from storage location to the ring can come in at 6:15 AM and drop their tarp.

There is plenty of room! Crating will be allowed on the field to the left and the basketball court. Crates will not be allowed on the agility field – chairs ONLY. Take your chair with you on Friday evening – we **must** clear the field by 6:30 PM for a soccer event . Crates will not have to be broken down or moved during the weekend. 😊

Course maps: Paper course maps will not be available. Course maps will be sent to exhibitors via email each morning. NOTE: AKC is no longer allowing course maps to be provided the evening before the trial. They will be posted at the trial site, as well, so come prepared to photograph the map for personal use.

Briefings/walkthroughs: See judging schedule page for briefing/walkthrough schedule.

Check-in: Regular paper gate sheets will be available for check in. (We are not using an electronic check-in system.) Any changes in running order must be done by the Gate Steward for the class.

Measuring: A Measuring Official is **not** expected to be present at this trial. NOTE: The AKC has returned to the policy of measuring all dogs that do not have a height card. Even if a VMO is not present, all dogs that do not have a height card will need to be measured by the judge of record (if no VMO is present) prior to their first run. This measurement will be good for this weekend of trials only.

Move ups for the Friday, August 11 trial must be received by 6 p.m. on Monday, August 7. Emailed move-ups will not be accepted after the Monday deadline. (All move-ups for the weekend after the Monday deadline must be done in person at the site.) Move-ups for Friday-Saturday or Saturday-Sunday will be allowed and must be submitted within ½ hour of the end of judging each day. The move-up book will be located on the score monitor table. Just fill out your move-up form and leave it in the book. Magically, your move-up will happen overnight. ☺

Parking: There is plenty of parking. RV parking is by reservation only, cost is \$10/day. Please email agilitysec@clantyre.net for reservation.

Food and refreshments will be available at the trial site at the on-site restaurant.

Recording/videoing for personal use is allowed as long as it does not obstruct aisles/walkways, disturb other exhibitors, dogs, or judge(s). Those using video must be cognizant of both intentional and ambient audio. These devices may not be used near the trial secretary/judge/club working areas or placed behind timer/scribe working in the ring.

We wish to thank all those who have volunteered to help at this trial. Any and all assistance makes for a smoother running trial, so please check with the volunteer coordinator in each ring often to see how you can help! **Volunteering just got easier!** The Volunteer boards will be posted near the ring at the trial site each day. You can go in and fill in your name where you'd like to work, with our thanks!

Volunteer coupons will be given for each class worked, good towards food purchase at the on-site restaurant or applied towards future entries.

Remember! Keep the area clean! As always, exhibitors are responsible for cleaning up any deposits left by their dog. Any exhibitor failing to pick up after their dog will be EXCUSED without benefit of refund if the Event Committee deems the exhibitor is in violation of this requirement. While the use of flexi-leads is not prohibited on show grounds, we urge you to use them responsibly. Failure to properly control a dog at an event can be grounds for a misconduct hearing. Let's keep this site dog friendly! ☺

***DISCLAIMER!** These are start time GUESSTIMATES.

They do not factor in absences, obsessive walkthroughs, quick or slow course times, awesomely fast course changes, clean-ups, earthquake, tsunami or volcanic eruption.

No fair getting crabby if you arrive too early or too late. 😊
