Most Versatile Belgian Malinois Award

Qualifications for Most Versatile Belgian Malinois Award: Dogs must participate and earn points in at least three of the following five venues: *Agility, Conformation (Friday, May 13 National Specialty Classes and Sweepstakes), Obedience/Rally (Regular & Optional Titling Classes only), AKC Herding, Tracking.*

A dog may be entered in more than 3 venues. The single highest point value earned in each venue will be used in tabulating the points earned for that venue. The dog with the highest combined total score for all venues will be awarded Most Versatile Belgian Malinois. Reserve Most Versatile Malinois will be awarded to the second place finisher. Membership in the ABMC is not required. However, the dog being entered must be a Belgian Malinois. For further information, point scale and entry form, visit the Specialty website. The MVBMA Chair will track the results based on the Show/Trial Secretary information and points for each dog entered will be posted daily. ***Stud Dog Class:** For Stud Dogs and at least two and not more than four of their Get. Stud Dogs must be entered in the Stud Dog Class and shown in the ring with their Get. Owner of the Stud Dog need not necessarily be owner of the Get. Award will be based on the merits of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under Dog Show Rules, AKC policy or the standard of the breed. Get must be individually entered in one of the breed classes in this show for which it is eligible.

If more than one Brace is entered by the same owner, the dogs comprising each Brace must be so designated "Brace 1, Brace 2," etc.

***Generations:** For three dogs, regardless of sex, of three successive generations (grandparent, parent, offspring). Entry is made for each dog (three separate entry forms) and there can be no substitution of dogs. One additional entry fee is required for the unit of three dogs. At least one of the three dogs in the unit must be entered in a regular conformation class. Individual dogs may be entered in only ONE Generations Class unit. Each dog must have a separate handler.
